Audio Guide and Instructions

You can find our audio guide below:

Click "Start Your Tour" while you're connected to the Internet. The audio guide will download in advance, and then you'll be able to listen to it offline.

If you close the browser tab, you'll have to download it again. Keep the tab open during your visit.

Security Control

With this guide, you'll skip the lines at the ticket counters, but no one can skip security. Security screening (similar to what you find at airports) can take up to 60 minutes during peak season.
