

How to Download NBA Tickets: Orlando Magic

It is important to open the confirmation link on a **mobile phone**:

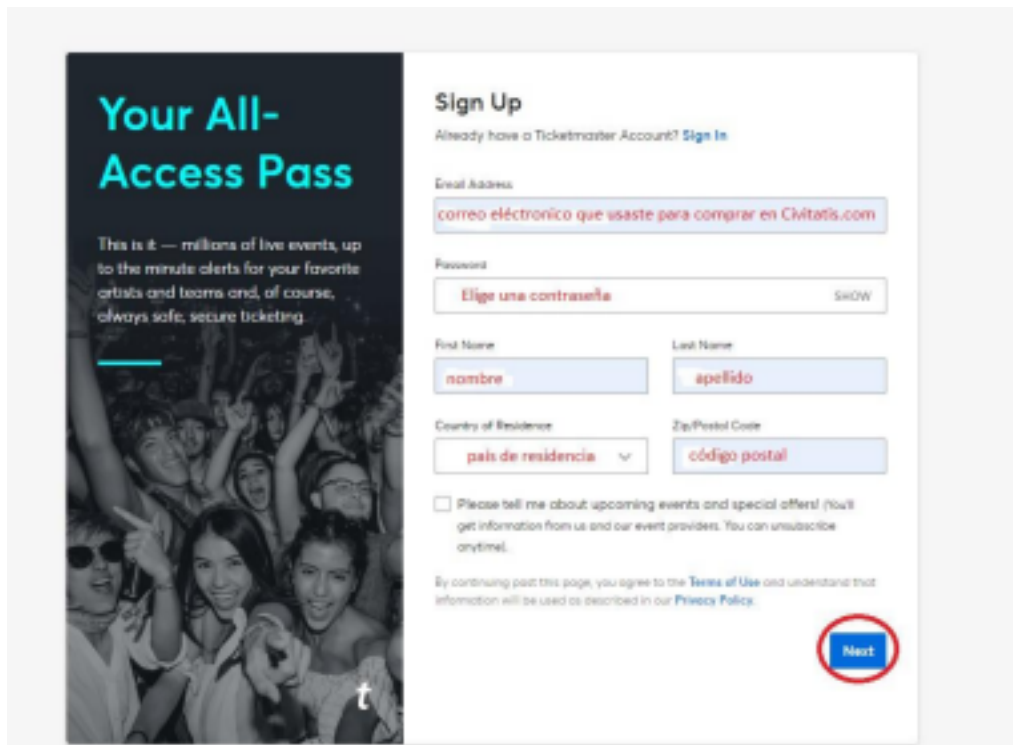

You'll then need to click on the link that says 'get your tickets here', which will take you to the **Ticketmaster** website.

If you have a Ticketmaster account with the same email address you used to buy the tickets, you can log in using your login details. If not, you'll need to create a new account. Please note that you must **always use the same email address you used to make the purchase on Civitatis.com**.

You can see an example in the image below:

Your All-Access Pass

This is it — millions of live events, up to the minute alerts for your favorite artists and teams and, of course, always safe, secure ticketing.

Get Your Tickets Ready

 View your ticket barcode now or in the app (**Recommended**). When you view in the app, your tickets will instantly save to your phone — the best way to beat busy network connections.

In that case, you'll miss out on some important notices. The first warns you that a **screenshot**

of the ticket is not valid for entry to the stadium, nor is a printed version. The second will inform you that you can send the tickets to the other members of your group via the “Transfer Tickets” option so that you don’t all have to enter at the same time:

You'll then receive your tickets. We recommend adding them to your **Google Wallet** or **Apple Wallet** so that you can access them easily, even without an internet connection, on the day of the match:
