

AUDIO GUIDE

First step is of course setting up a Wi-Fi connection on the phone if needed.

In the bus we have charging ports if needed.

People use their own headphones, but in case of no headphones available the text is still readable on the app.

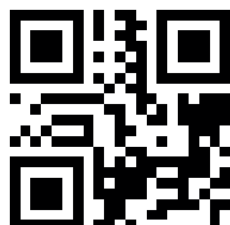

- 1 Download the **"Locatify SmartGuide"** app
It's easiest to scan one of the **QR Codes** here on the right
You can also go to App store on **iPhone** or Playstore on **Android**
- 2 Go to Top left corner menu bar inside the app and select: **"Redeem Invitation"**
- 3 Select **"Scan QR Code"** and scan one of the codes at the bottom. You can also select **"Enter Code"** and write the code you need.
- 4 Select a **Language**
- 5 Click **Install**
- 6 Click **Play**
