

PLEASE READ CAREFULLY!

You MUST have original hardcopies all three documents below;

- Home country driving license
- International driving permit (must be under geneva convention 1949)
- Passport

Failure to bring these required documents will result in denial of participation without the possibility of reimbursement. International driving permits under vienna convention 1968 are not accepted in Japan.

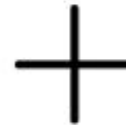

PLEASE READ CAREFULLY!

An official Japanese translation of your driving license is required for the following countries;

- France
- Germany
- Switzerland
- Belgium
- Taiwan
- Slovenia
- Monaco

You are still required to bring your home country license as well the translation.

Sample		日本語による翻訳文 JAPANESE TRANSLATION

The below example is an unofficial international driving permit (IDP).

Please **DO NOT** purchase your IDP from an online source. It must be issued by your local automobile association in your country. These types of IDPs will not be accepted if they are presented to us.

Your international driving permit **MUST** be in booklet format

A4 paper or credit card sized versions are not accepted
