Information about the Oslo Pass

For detailed information please see www.visitoslo.com/oslopass or our Oslo Pass app. For opening hours, please see the offers` own website.

How to use and activate

The Oslo Pass must be activated at first time use. The physical Oslo Pass by filling in the space provided with a pen. The digital Oslo Pass by swiping the activation button. After activation the Oslo Pass is valid for the number of hours indicated; 24, 48 or 72 hours. During validation the Oslo Pass must be presented on request

On public transportation please make sure that you have an activated Oslo Pass before boarding. You only need to show your Oslo Pass in case of a ticket inspection. Please note that the Oslo Pass is only valid for buses operated by Ruter, not for regional routes (Vy Express or other long-distance buses).

At attractions, please show your activated Oslo Pass at the ticket office. The staff will scan the QR-code on the Oslo Pass. Please note that you can only enter each attraction once a day.

Conditions

- The Oslo Pass will not be refunded or replaced if unused, activated, damaged, lost or stolen. The digital Oslo Pass will also not be refunded if the app is uninstalled with unused or activated passes or if the telephone is damaged.
- The user is responsible to make sure the Oslo Pass is valid for the entire journey when using public transport.
- 3. Student discount is not valid for the digital Oslo Pass (Oslo Pass app).
- 4. The user is responsible to check available offers before purchasing the Oslo Pass depending on which attractions a visitor plans to visit, and on which activities are available during the stay due to seasonal changes.
- 5. The Oslo Pass is non-refundable if the offers suddenly change due to COVID-19, or if other unforeseen changes occur as a result of COVID-19 (e.g. bankruptcy).
 No compensation will be offered if, after the time of purchase, prices are adjusted down to reflect fewer offers in the Oslo Pass.

For a full list over all conditions, please see www.visitoslo.com/oslopass.

Frequently asked questions

Q: Do you offer student discount on the Oslo Pass?

A: Yes, students up to 30 years old can get a 20 % discount. This offer is only valid for Oslo Pass in paper (only offered at Oslo Visitor Centre and Ruter's customer service centre, and only by showing a valid student ID card with photo).

Q: How do I get the discounts the Oslo Pass offers?

A: You will need to show a validated Oslo Pass to the staff at the ticket office, restaurant or shop. The discounts cannot be pre-ordered unless otherwise stated.

Q: Do I have to register at the ticket office when entering the attractions?

A: Yes, you will need to register at the ticket office before entering. The staff will scan the QR code on your Oslo Pass. Please note that the Oslo Pass does not give you fast track.

Q: How do I order tickets to MUNCH with the Oslo Pass?

A: You cannot pre-order free tickets to MUNCH, but in each available time slot, tickets are reserved for visitors with the Oslo Pass. These tickets are available on site. If there are no more Oslo Pass tickets available for the ongoing time slot when you arrive, you'll have to wait until the next available timeslot.

Q: Is transportation to the airport included in Oslo Pass?

A: No. Transportation to Oslo Airport (OSL) and Sandefjord Airport Torp is NOT included in the Oslo Pass, as the airports are located outside zone 2.

Q: Is the public ferry to Drøbak included in the Oslo Pass?

A: No, the ferry is not included in the Oslo Pass, as it passes through zones 3 and 4. However, the public bus to Drøbak is included.

Q: Is the Hop on-hop off buss and Hop on-hop off boat included in Oslo Pass?

A: No, the Hop On-Hop Off buses and boat are not included in Oslo Pass.

Q: Can I change my physical card into a digital card, or vice versa?

A: No, you cannot change your physical or digital card into the opposite option.
